22/117 Following consideration of the documents submitted seeking full planning permission for a single storey rear extension at 44 Cranford Road Grafton Underwood (Planning Application [NK/2022/0780](#)) it was **RESOLVED** that there was insufficient information regarding the proposed materials to enable the council to support or object to this planning application.

It was noted that there was no mention of drainage or guttering in the application.

It was **RESOLVED** that the Clerk submit a response to North Northamptonshire Council on behalf of the Parish Council stating that without specific details as to the proposed materials the council could not support or object to the application, mentioning the lack of information for drainage and guttering. The Clerk was also to reference any relevant development policies for Grafton Underwood.
